Curbside Single Stream Recycling Program

Waste Management's commitment to the environment...and to you.

Why Recycle?

As the industry leader, we understand the impact of trash on our environment. We see it everyday.

- Americans throw away enough office paper annually to build a wall 12 feet high, stretching from Los Angeles to New York City

We have also seen the huge difference recycling can make with minimal effort:

- Recycling one aluminum can saves enough energy to power a television for three hours.

Collection Day

Recycling collection occurs every other week on the same day as your trash collection.

If your recycling pickup day falls on or after a WM observed holiday, revise the schedule as you would for your trash pickup.

Please make sure that all recyclables fit within your recycling bin(s). Make sure to have your recyclables on the curb by 7:00 A.M.

Customer Service

If you would like to sign up for service, or if you have any questions about your service please call customer service at: 303-797-1600.

Single Stream

With Single Stream Recycling you do not need to sort out recyclable materials. Everything can go into the same bin.
